125 Gilman Falls Avenue, Bldg. B, Old Town ME 04468
Tel. 207-827-5513 Fax 207-827-3647

PUBLIC NOTICE:

**EXTRASPORT MODEL UT3-5, Style D
ADULT UNIVERSAL**

Contradictory language about the “intended use” of the above-referenced PFD model was recently identified. Specifically, the UL Label of Model UT3-5, Style D, Adult Universal included “water skiing” as an acceptable watersports activity for this Personal Flotation Device (PFD). The following statement also appears on the UL Label for this device: **“Not approved for use on Personal Watercraft, for Water Skiing or similar towed uses.”**

The PFD is neither US Coast Guard Approved or UL Listed for use on personal watercraft (PWC), water skiing, or similar towed uses. The PFD is US Coast Guard Approved and UL Listed for sailing, canoeing and kayaking.

Johnson Outdoors Watercraft Inc. and Extrasport are committed to providing the highest level of quality and safety in our products and we want to clarify the contradictory language noted above. Accordingly, we urge our customers who have this model with such language to **not** use it for tow-behind activities.

- **DO NOT USE THIS DEVICE ON PERSONAL WATERCRAFT, FOR WATER SKIING or SIMILAR TOWED USES!**
